

Do you have professional experience as an Accountant or Finance Manager? Will you consider becoming Treasurer on the board of **SHRUB Coop?**

SHRUB Cooperative has registered as a Scottish Charitable Incorporated Organisation (SCIO). Our Constitution provides for the Board of Trustees to oversee the activities of SHRUB Cooperative and ensure we act in accordance with our purposes and the wishes of members of the Cooperative.

We invite applications from SHRUB members and others interested in contributing to the Coop's development to join the board of trustees as a treasurer. At this time we are particularly looking for professionals in the fields of Accountancy and Financial Management. **We particularly encourage applications from under-represented groups, including but not limited to: people of colour, trans people, non-binary people and women.**

SHRUB is a cooperative of Members who contribute to decision-making processes. Trustees have special legal responsibilities and, in some circumstances may have to make sensitive or critical decisions on behalf of the Coop.

Why be a Trustee?

Trustees learn about how our social enterprise runs and gain skills in leadership, problem-solving and innovation, strategic judgement and effective communication, to name a few.

Serving as a Trustee is an opportunity to learn about the governance of a not-for-profit organisation in a supportive environment, learning from more experienced Trustees and staff and the fresh perspective of newer Members alike.

What skills do I need?

Trustees have a wide-ranging remit with some people leading on particular aspects, some playing a more general role. **We are looking to recruit trustees with specialist skills in Accountancy or Financial Management but Trustees have a wide-ranging remit and there will be opportunities to be involved across the breadth of work that SHRUB undertakes.**

To flourish as a Trustee, you must be committed, passionate, flexible!
